Letter of Recommendation

Alin Sever

To Whom It May Concern,

I am very pleased to provide this letter of recommendation for Mr. Alin Sever, with whom I have worked closely for several years across two federal departments. I first worked with Alin at Public Services and Procurement Canada (PSPC) from September 2018 to January 2021, and later again at Immigration, Refugees and Citizenship Canada (IRCC) beginning in February 2022 until December 2025.

Alin played a key role in developing dashboards and executive-level presentations for government-wide distribution related to HR-to-Pay Stabilization Metrics. He worked extensively with Microsoft Excel, IBM Cognos Analytics, and Tableau, translating complex datasets into clear, accurate, and actionable insights for senior stakeholders and across all departments and agencies within the Government of Canada. In particular, Alin demonstrated an exceptional ability to rapidly transform and automate essential government-wide reports related to timeliness, workforce productivity, and inventory management, despite limited initial knowledge and tight timelines. His work resulted in standardized, reliable reporting tools that were adopted across over 200 government departments and agencies, eliminating the need for individual departments to develop and run their own reports.

During our time at PSPC, Alin consistently demonstrated exceptional analytical skills, professionalism, and a strong commitment to excellence. In recognition of our contributions, we both received an Award of Excellence in May 2019 for maintaining a high standard of performance and striving for excellence in our work. This recognition reflects Alin's dedication, reliability, and attention to detail.

In February 2022, I had the opportunity to work with Alin again when I followed suit and joined Immigration, Refugees and Citizenship Canada. At IRCC, Alin was responsible for the planning, implementation, and reporting of the Multi-Year Immigration Levels Plan, with a particular focus on resettled refugees, humanitarian and compassionate public policies, and asylum streams. This work requires precision, sound judgment, and close collaboration across branches, all of which Alin consistently demonstrated. In addition, Alin was also the senior analyst and regularly acted on behalf of our assistance director when required. In this capacity, he took on additional responsibilities, provided guidance to our team and coordinated urgent priorities.

Alin is a passionate public servant and approaches complex and sensitive files with professionalism and a strong understanding of operational considerations. He is highly dependable, well-organized, and respected by colleagues for his collaborative approach and thoughtful contributions.

Based on my direct experience working alongside Alin, I can confidently say that he would be a valuable asset to any organization. Please feel free to contact me should you require any additional information.

Thank you,
